

Palliative Care Education Series

Communication in Palliative Care: Responding to the Unanticipated

Presented by: Dr. José Pereira

CYIPS-01707-A

Tuesday, April 17, 2018
8:00 a.m. – 9:00 a.m. EST

OBJECTIVES

By the end of the session, participants will be able to:

- Identify communication techniques that work when having difficult and stressful conversations with patients and families.
- Respond confidently and compassionately to anticipated and unanticipated questions about death and dying.
- Discuss common mishaps when having stressful and difficult conversations.

PROGRAM DESCRIPTION

The Palliative Care Education Series provides regular lectures which discuss common end-of-life issues. During this session, Dr. Pereira will discuss communication in palliative care, particularly the language we use.

PRESENTERS

Dr. José Pereira MBChB, CCFP (PC), MSc, FCFP, is co-founder and Chief Scientific Officer of Pallium Canada. He is also Director of Research at the College of Family Physicians of Canada and the Gilchrist Chair and Professor of Palliative Medicine at Queen's University. He also holds academic appointments in the Departments of Family Medicine at McMaster University and the University of Ottawa.
